NATIONAL CHAMPIONSHIPS

Table Tennis England | Under 10-13 Nationals

Green light for U10–U13 Nationals!

Author: Paul Stimpson

Posted On: May 10, 2021

The Mark Bates Ltd U10–U13 Nationals have been confirmed as ON for the weekend of 3–4 July.

The decision to confirm the event, at the University of Warwick, was made in line with our [stop/go and cancellation policy](#) for national events.

It is subject to the Government roadmap out of restrictions proceeding as expected, and covid protocols such as social distancing, hygiene and venue capacity are likely to be in place in line with Government guidance at the time.

Singles competitions will be held for boys and girls at U10, U11, U12 and U13, but U13 boys' and girls' doubles remain to be confirmed.

Invitations will be based on the current rankings list and will go to the top 22 for U10 and U11 boys and girls and the top 46 on the U12 and U13 lists, plus two wildcards in each category.

No ranking points will be awarded and Compete membership will be accepted for entrants – there is no need to upgrade to Compete Plus this season.

Full details about the event format and eligibility will be available in the entry form and prospectus, which will be published on this website shortly.
