Volunteers' Week is a time to say thanks for the contribution millions of people make across the UK through volunteering. Join us this year to recognise the fantastic contribution volunteers make!

Volunteers are the lifeblood of table tennis up and down the country, and we would like to say a big thank you to all those that give their time for free to continue the development of the game we love.

### Pride of Table Tennis Awards

The Pride of Table Tennis Awards, which recognises the contribution volunteers make in table tennis, is taking place this Saturday at 1.10pm.

For those that have booked onto the 2021 National Conference, you will be able to watch the awards using the same link provided. We are also streaming the awards live on our [Facebook page](#) from 1.10pm for those that won't be attending the National Conference.
