The Table Tennis England Annual Review has been published online and we are inviting questions from members ahead of the online AGM on July 17.

The Review can be downloaded below and covers the financial year ended March 31, 2021, alongside the 2020/21 playing season, which has been severely impacted by the coronavirus pandemic.

Questions and points of accuracy can be submitted to us by filling in the online form below, or by downloading the Word document at the bottom of the page and returning to [help@tabletennisengland.co.uk](mailto:help@tabletennisengland.co.uk).

Questions must be submitted by noon on Monday July 12 and we will publish responses on Wednesday July 14 on our website.

Due to the coronavirus crisis, the Annual Review will not be printed this year. However, digital copies will be emailed after the AGM to:

- County Representative Company Members (National Council)
- League Representative Company Members
- PremierClubs
- Vice-Presidents
- Honorary Life Members

It will also be uploaded to our website.

This is the fourth year that Table Tennis England has given the opportunity for questions to be asked about the Review ahead of the Annual Conference, which this year will take place on Tuesday August 10th (7-9pm) on Zoom. We will publish more details about how to register for the Conference in due course.

Asking for questions in this way allows our whole membership to engage in the process, as well as allowing us to give a detailed, reasoned response to the wider membership rather than just a verbal response at the conference.
