

National School Sports Week 2021!

Author: Annie Stone

Posted On: June 21, 2021

It's National School Sport Week 2021!

The week will celebrate the return of youth sport and its power to bring people back together with a week of school sports days held up and down the country.

TT Kidz Live Session:

We're supporting National School Sport Week by holding a free TT Kids Live session for schools this Friday, with a chance to win a bespoke table tennis master class for students just by attending.

The session will be held via zoom and will run from 0930 to 1000 on Friday 25th. It's half an hour packed full of fun and inclusive activities for students and will definitely leave them with a smile on their face!

School Packages

We know how important sport and physical activity is in playing a vital role in children's recovery, who have had their world's turned upside down in the last year.

Our schools' packages are designed to help schools introduce table tennis or expand their existing provision

and are affordable and flexible!

Each package has been carefully chosen with key suppliers to offer robust tables and equipment suitable for a school environment.

Included in all orders is our introductory schools resource pack crammed full of tips and skills, useful templates, posters, certificates and medals to get a table tennis club and/or competition started.

We have a range of products which can support the delivery of table tennis in your primary school. To support National School Sports Week we are offering schools [10% discount on our schools equipment packages](#) (not including tables) using discount code **TTSCHOOLS10**.

Jack Petchey Foundation:

Primary PE and Sport Premium confirmed for

2021/22:

The Department for Education last week confirmed that the primary PE and Sport Premium will continue for the next academic year (2021/22).

The premium will continue at £320 million next year and schools will be able to carry over underspends until July 2022, to prioritise children's activity as part their recovery.
