Ask Us Anything is back – and our members have the chance to put their questions about any aspects of our sport to five Table Tennis England Directors.

We have put together a panel comprising a wide cross-section of our Board for the event, which is on Zoom on Tuesday July 20 (7.30pm).

The panel comprises Chairman Sandra Deaton, recently Elected Director Ritchie Venner, newly Appointed Director Dr Emma Vickers and Appointed Directors Simon Griew and Priya Samuel. It will be moderated by CEO Sara Sutcliffe.

The hour-long event does not have a set theme and we will aim to answer as many of our members' questions as possible.

While questions will be taken on the night if time allows, we are asking members to submit questions in advance using the form below. This will allow us to group similar questions together.

No topics are off limits and although we cannot guarantee to answer every question in the time available, we will endeavour to answer as many as possible and to address every topic we receive questions about.

Please submit questions by 9am on Friday July 16th.

If you would like to attend the Zoom call but not ask a question, simply fill in the relevant parts of the form below. We will send out joining instructions after Friday July 16th.

We will share the video on our website and social media platforms after the event so those who cannot attend are able to watch it.
