

Gloucester Grand Prix cancelled

The Gloucester Grand Prix scheduled for July 24–25 has been cancelled due to a large number of player withdrawals.

The event had originally been due to take place on June 26–27 but was rescheduled for later this month when the lifting of Government restrictions was delayed.

However, despite the restrictions being due to end on Monday July 19, giving a broad green light for a full return to play, an unprecedented number of withdrawals means we are no longer able to offer a quality participant experience and the event is therefore cancelled.

We apologise for any inconvenience caused. Anyone who has paid to enter the Grand Prix will receive a full refund.

We are now planning for a full season of Grand Prix events during 2021/22 and details of venues and dates will be announced on our website shortly.
