If you missed our Ask us Anything event, where a panel of Table Tennis England Board members answered questions posed by our members, you can now catch up.

The panel comprised Chairman Sandra Deaton, recently Elected Director Ritchie Venner, newly Appointed Director Dr Emma Vickers and Appointed Directors Simon Griew and Priya Samuel. It was moderated by CEO Sara Sutcliffe.

The hour-long event saw the panel answer questions on topics ranging from rankings and female participation to covid and the return to play, plus the competition review and racism in sport.
