Table Tennis England has launched the Return to the Table campaign, designed to help everyone get back to the sport with confidence, motivation and passion after the lifting of coronavirus restrictions.

One of the key periods of the Return to the Table campaign is the celebration fortnight which runs from **August 30 to September 13**, during which we will be inviting clubs, leagues, coaches and community venues to run their own open days, club competitions or any activity that can build confidence or motivate people to play, volunteer, coach or officiate.

We're aiming to get more than 100 organisations running an event – and to give you an incentive, all events will be entered into a prize draw and the organisers could **win a £500 grant or a visit from a top England player** to their venue! There will also be prizes for the best videos from events – more details to follow!

To help you come up with ideas, and support you in planning and running your event, we're putting on a **webinar on Thursday 19th August at 12:30pm**. You'll be able to take advantage of our experience and expertise and put together some great celebration events! [Sign up to the webinar here.](#)
