World Table Tennis has launched a new app which will deliver non-stop news from the international circuit and allow supporters to keep up to date with England's stars as they compete internationally.

The app promises event information, live streaming (subject to geographic broadcast rights restrictions), videos, scores, draws, player profiles, rankings and stats at your fingertips.

Available in both the Apple and Google Play stores, it is officially launched today ahead of WTT Contender Budapest, the first WTT event in Europe, which begins on Sunday and [features English trio Liam Pitchford, Tin-Tin Ho and Denise Payet](#).

To ensure you never miss a point as England's stars compete on the world stage, download the app here:

- App Store Link: <https://apps.apple.com/us/app/world-table-tennis-app/id1543931750>
- Play Store Link: <https://play.google.com/store/apps/details?id=com.worldtabletennis.androidapp>

The app has been nine months in development, and the WTT said: "The release of the new app and the recent and ongoing upgrades to the WTT website will provide member associations, players and fans with more table tennis content than ever before and will allow us to showcase the sport in new and innovative ways, particularly to younger generations of fans."
