

## Join the Centenary conversation

**Author:** Paul Stimpson

**Posted On:** September 30, 2021

November 7th, 2021 is the special day when the ETTA/Table Tennis England turns 100!

This unique occasion will be commemorated by a season-long celebration which will not only celebrate our sport's journey and achievements up to this point but also focus on the future.

As Table Tennis England prepares its centenary programme, we are calling on our members to [get involved](#).

Building on the recent survey with county associations and leagues, we are asking clubs and individual members to share their ideas in an online conversation.

Using a [new conversation tool](#), everyone has an opportunity to share their thoughts on what the Centenary means to them and how they would like to see us celebrate our 100th anniversary!

Here's a short tutorial on how to use the tool:

[Click here to share your thoughts and ideas](#)

Additionally, we are asking whether any members or stakeholders have any historic photos, documents or memorabilia they would like to share with us or donate to us. Please contact us via [marketing@tabletennisengland.co.uk](mailto:marketing@tabletennisengland.co.uk) if you have any such material.

We very much hope the whole table tennis community will join us in celebrating this milestone in the sport's history and we look forward to sharing more of our plans with you all in the near future.
