Karen Tonge MBE has been re-elected deputy chair of the Games and Sport Division of the Sport & Recreation Alliance.

Karen, who is Chair of British Para Table Tennis, was nominated by Table Tennis England and takes up the position formally at the organisation's AGM on October 12. It will be her second of three permissible two-year terms.

The group will still be chaired by James Hope-Gill of Skateboard GB, while the co-Deputy Chairman, Chris Rawlings of Baseball-Softball UK, is new to the group.
