It's our 100th birthday next month and now is the time to sign up for our online launch event to be the first to hear all about our season-long celebration!

Our live Zoom broadcast takes place on Sunday November 7 – the day Table Tennis England/ETTA turns 100.

Please note, registrations closed at 5pm on November 7 – the webinar recording will be posted on this website on Monday, November 8.

Join us at 7pm, when our guests will also include Table Tennis England Chairman Sandra Deaton, President Jill Parker, Chief Executive Sara Sutcliffe, and members of the England Senior Squad.

Centenary Project Manager Steve Joel will be speaking as we outline our plans for the season ahead, including our spectacular gala dinner next March and all the other projects and events which will be marking the milestone.

Sign up using the form below and you will also be added to our priority window to receive further information and opportunities around the Centenary before they are released publicly.

Our Centenary heralds the 100th anniversary since our sport came under the umbrella of a national governing body – firstly in 1921 as the Ping Pong Association, then as the Table Tennis Association in 1922 and the English Table Tennis Association between 1927 and 2014, before our more recent rebranding as Table Tennis England in 2014.

This is an extraordinary moment in our sport's history, which comes at a time where we are all working to recover from the massive challenges of the past 18 months and look to the future.

It provides an opportunity for reflection and celebration of our history, for remembering the major events and honouring the important personalities of the past, but also for building the legacy and taking the opportunity to reinvigorate our sport as we emerge from the pandemic.

Our online event will be a key opportunity to find out about how together we can mark and celebrate this occasion throughout the 2021-22 season. It will set out a range of exciting plans to provide opportunities for the whole table tennis community to come together.

The event will give you the latest information on how you can get involved and there will be opportunities to ask questions. Through registering you will be able to receive early notification to all future Table Tennis England Centenary projects, activities and special offers before general release.

The programme for the launch event is:

7pm-7.05pm: Welcome

7.05-7.10pm: Introduction to the Centenary

7.10-7.15pm: Ambitions for the Centenary

7.15-7.30pm: Key Celebratory Projects and Plans
