We have officially entered the centenary year of Table Tennis England – and our live webinar last night outlined all the celebrations we are planning during the 2021/22 season.

Our President Jill Parker, Chairman Sandra Deaton and Chief Executive Sara Sutcliffe presented the event – which was held on the 100th anniversary of the re-formation of the Ping Pong Association

They were joined by Centenary project Manager Steve Joel, who outlined the projects we will be delivering to ensure the centenary is a year to remember for people across our sport.

The projects include:

- Gala dinner
- Centenary book
- Special edition of the English Leagues Cup Competitions
- Centenary webinars
- Heritage projects
- Fundraising

For more details about these projects and more, watch the launch webinar below.
