Table Tennis England is looking for volunteers to fulfil key roles representing the Junior British League and Veterans' British League on the British League Committee.

The British League Committee administrates British League competition, including Senior (SBL), Women's (WBL), Junior (JBL) and Veteran's (VBL) sections, and drives delivery of the British League strategy.

We are seeking a JBL (Junior) Representative, and a VBL (Veterans) Representative, who will represent the views of stakeholders for those sections and help to take forward the general objectives of the committee.

The Committee will normally meet 3-4 times per season, either physically or virtually. Day-to-day Committee business will be carried out via email. Committee members will have a tenure of two years per term.

For further information on the British League, please visit the [Table Tennis England website](#), the [British League fixtures and results platform](#) and [the British League general regulations](#)

Committee positions have evolved due to new dedicated staff resource. The VBL and JBL roles are no longer required to support practical and operational functions of the league or the event, and will be primarily representative in nature. For VBL, this role might suit a player, coach or a team organiser; for JBL, this role might suit a parent, coach or team organiser
