Congratulations to everyone who has participated in the **Jack Petchey London Schools' Table Tennis Championships** thus far. There was some super table tennis being played! The county qualifiers are now over and preparations are underway for the London Final.

If you haven't downloaded your photo yet you can do so from the Jack Petchey Foundation website <http://www.jackpetcheyfoundation.org.uk/?young-achievers/photo-gallery.html>. We have also begun uploading the photos onto the Change4Life Photo Gallery, so get onto these websites, tell your friends, share your experience and continue playing Table Tennis in London!

The **Winners & Runners Up** from each London County are below:

Well done on qualifying for the Jack Petchey London Schools Final!

Because some of you competed in more than 1 age group we will be inviting some 3/4th placed competitors to fill in where necessary as you can only qualify for the Jack Petchey Final in one age group. A revised list of qualifiers will be on the website soon. We will also be contacting you all with invitations in the near future.
