Today marks the start of Safeguarding Adults Week 2021 which runs from Monday 15th – Sunday 21st November.

The campaign week which is organised by the Ann Craft Trust, a national charity which exists to minimise the risk of abuse of disabled children and adults at risk, focuses on different safeguarding themes to explore how we can [create safer cultures](#).

This week we will be supporting the campaign by sharing resources and promoting best practice to the table tennis community to ensure that the sport we love is a safe one for adults.
