The entry requirements for players to compete at the Mark Bates Ltd Cadet, U17 and Junior National Championships this season have changed.

In light of the cancellation of the planned Chandlers 4* this month and the London 4* in January, the minimum requirement for players to compete at the Nationals will be participation at **ONE** 4* event, rather than two.

The Mark Bates Ltd Cadet, U17 and Junior Nationals take place in Nottingham on the weekend of April 30-May 1, 2022.
