The deadline to submit nominations for the Pride of Table Tennis Awards has been extended until 31st January 2022.

This year's awards will honour our Club and League Volunteers and Young Volunteers for their dedication, commitment or impact in/on table tennis on a voluntary basis over the past 12 months.

In what is a special year for Table Tennis England, the shortlisted national finalists, chosen by the national judging panel, will be presented their awards at our Centenary Dinner in Nottingham in March. We will also be surprising some of the local winners by choosing them at random to receive special table tennis experiences or prizes. All of the nominations received at local level will receive a certificate, which will be sent directly to the nominator to present at your club or league.

If you know someone who has made a difference in your club or league in the last 12 months, nominate them today. Nominations are open until 31st January and can be submitted via the online nomination form.
