

Wolverhampton Grand Prix cancelled

Author: Paul Stimpson

Posted On: January 31, 2022

Table Tennis England regrets to announce the cancellation of the Wolverhampton Grand Prix, originally scheduled for the weekend of March 12-13 at WV Active, Aldersley.

This difficult decision has been taken in the light of financial constraints we are currently operating under in the post-pandemic landscape. Our priority is to protect as much activity as we can, while pausing or cancelling a small number of activities based on the resources required to deliver them.

The Grands Prix scheduled in London and Gloucester later this season remain on the calendar but under review. A decision will be announced as soon as possible.

Please visit the [Grand Prix page](#) for further details of future events and [click here](#) for other competition opportunities.
