B-BATT hosted an amazing line up including the likes of; Darius Knight, Gavin Rumgay, Sule Olaleye and many more... An average of 35 kids on a daily basis, with each player having the opportunity of private tuition with every coach. Hard work was the 'buzz' felt throughout each day.

The camp included multi-ball, sparring with a coach, service seminar by Gavin, serve return by Darius and a final show down 'match' between Gavin and Darius.

The camp saw England Cadet no.3, Jared Patel take the advanced competition beating Sam Maybe in the final. Timur took the intermediate title followed by Michael Gillett and Harry Beckenham was the winner of the novice group followed by Ben Lisi.

An amazing camp capped off with all players receiving a signed (by our international players) certificate of attendance and an Easter egg to enjoy over the holiday. Thanks must go to Sule, Darius, Kazeem, Gavin, Guy, Jade, Rafi and Maria for all their hard work in making this a special camp to be remembered.

A bigger and much appreciated thank you goes out to our club's sponsor; Infront Photography for the camp t-shirts, pictures and continued support.
