Please find attached results from the UK table tennis competition held at Halton Regional Table Tennis Centre Stobart Stadium Halton. The day was really enjoyable for those who attended. Over 100 young people made it to the event from Wales, Scotland and all parts of England. They were involved on the day either participating or assisting run the event. 23 young people were also successful in gaining their junior umpire award.

The Young People's behaviour was exceptional, they were an absolute credit to themselves and their clubs. We also saw some excellent playing standards. The ETTA Referee was again Karen Tonge MBE, IR from Halton Table Tennis Club assisted by Russell Thornton and Frank James with representatives from Clubs from Young People. The Mayor of Halton Councillor Keith Morley presented the awards at the conclusion of the days play.

Congratulations are due to all of those who participated.
