Michael Tunubu victorious in Belgium

Dulwich Table Tennis Club won three Golds and one Silver medal at the Belgium Oostende international Games – August 11th – 16th 2011.

Recently, children on holidays at Dulwich Table Tennis Club, Southwark Council, went on a winning mission to Belgium Oostende Table Tennis International tournament.

The week-long games were a fun and educative outing for the young ones and the accompanying adults. The team were led by Project Development Manager and Head Coach, Abdul Wuraola who inspired the players in Belgium.

The club can now boast that its youngest member, Michael Tunubu, aged seven, is an international winner after replicating his triumphant form at home in the tournament overseas.

New members are always welcome at the club and the hope is that more winning players are being trained. You can access the club's website to view their video-based coaching manuals on their internet television page.

The club expresses its gratitude to its many supporters from both corporate and private individuals, sponsors and media partners in achieving these winning trips both at home and out in Europe.
