The report has come in from the Division 2 South, Midlands and West region in the Senior British League and it has shown how Bournemouth Sports and York Gardens IIs lead the way at the start of this season.

The York team head the table by a point but it is Bournemouth who are expected to do well with England number seven, Matt Ware, in their side.

The strength of the two sides can be seen in their early results with both Ware and George Downing from Bournemouth, as well as Adam Green from York, recording perfect eight wins out of eight results.
