You can buy tickets at the ExCeL on the day

Tickets for all four days of play are still available and they can be brought on the day, on the door at the ExCeL in London.

There have also been special 'team event' tickets produced which will allow you access to the arena on Friday after 5pm to watch the Team GB take on the World All Stars, during which there will be special entertainment provided alongside the matches. This ticket is just £10!

Spaces may become sparse with Sunday especially selling well so to avoid disappointment ring our box office on **07970 575280** and order your tickets which you can collect on your arrival at the venue.
