The PremierClub Programme

Our aim is to create a national network of clubs that work together to grow participation in table tennis and support existing players to create a community from which future Internationals will emerge.

We encourage Table Tennis Clubs and Centre's to join the PremierClub programme so that this can be achieved.

In return for joining the programme your club will receive the benefits outlined below and the ongoing support of Table Tennis England's national and area staff.

Once part of the programme you will be encouraged to work towards Clubmark Accreditation, Sport England's mark of high quality clubs, with the support of Table Tennis England staff.

Obtaining Clubmark Accreditation is a significant achievement for any sports club and can open doors to various funding opportunities.

Table Tennis England's Clubmark clubs are designed to give people looking for clubs a good idea of what a club offers in terms of coaching, venue and environment.

For further information on PremierClubs, or if you have any questions, please email development@tabletennisengland.co.uk.

The benefits of becoming a PremierClub are:

- Public Liability Insurance with an indemnity limit of £10,000,000
- A £30 discount on **one** UKCC Level 1 course per club *
- A £30 discount on **one** UKCC Level 2 course per club *
- **Two** FREE continuing professional development (CPD) courses for non-licensed coaches with the aim to inspire more people to get into coaching *
- Opportunities to be involved in Table Tennis England initiatives
- Certificate of Affiliation for the 2015/2016 season
