The latest British League Premier Division reports are out featuring all the action from rounds five to eight.

Drumchapel Glasgow have made the most of the recent fixtures with an astonishing leap up the table to return to the top of the Premier Division. After drawing with Fusion I 4-4 (mostly thanks to Kazeen Adisa Adekeke beating Stephen Jenkins 3-1 to level matters for Fusion) Drumchapel then went on to demolish Westfield, Barrow and Sycamore I all 8-0.

The team of Ryan Jenkins, Chris Doran, Gareth Herbert and Stephen Jenkins look the team to beat with 24 straight ends to their name upon entering the new year.

In other news Fusion I inflicted B-BATT Pavillion's first defeat of the season while an Ashley Robinson inspired Wymondham Grantham turned around a 3-0 deficit to London Progress to win 5-3 and give their survival hopes a huge boost before Christmas.

Arguably player of the season so far is Loic Bobillier Monnot for B-BATT who still retains his 100% undefeated record despite it being heavily challenged by Omkar Torgalkar last time out.
