

The Table Tennis Collector

Author: Paul Stimpson

Issue 63 of the Table Tennis Collector has been released on the ITTF website for February 2012 and it's the biggest edition yet.

This month's edition includes great shots, Ivor Montagu, Alan Duke, Ping Pong Diamond Rings, auctions and 'heavy metal' among many other subjects.

The ITTF museum, run by Chuck Hoey, is always looking for more old stories and contributors who wish to add their research. If you have anything you would like published in the magazine, send your story to Chuck (his details can be found on the magazine).
