

Baggaley on ITV Player

Author: Paul Stimpson

Posted On: February 03, 2012

Andrew in action during the ITTF Pro Tour Grand Finals last November

ITV's interview with English Olympic hopeful Andrew Baggaley can be seen on their iPlayer which includes a quick history, favourite foods, likes and the bond with his family.

Guided by some excellent camera work and a stirring soundtrack (Foo Fighter's All My Life) this video is definitely worth a watch.
