Novak Djokovic has been setting the tennis world alight with his consistently amazing performances over the last couple of years rightfully earning himself the number one world ranking.

Djokovic, 24 from Serbia, won the Australian Open in 2011 and 2012 as well as his wins at Wimbledon and the U.S Open in a fantastic 2011. He had a 43 match unbeaten run at one stage as well as he has taken tennis by storm.

Finally we have found the reason Djokovic has been on such a good run – he's a dab hand at table tennis!

'Nole' showed off his table skills at a restaurant in his hometown Belgrade and suitably impressed the Serbian journalist he was taking on.

Perhaps a future career beckons?

Nothing should be unexpected for a man who recently won the Laureus World Sportsman of the Year award beating other famous athletes like Usain Bolt, Lionel Messi, Dirk Nowitzki (Timo Boll's friend) and Sebastien Vettel to the title.
