For all your National Championship needs don't forget to check out our [Nationals website](#). There we have videos, photographs and stories from last year's tournament as well as the results from the last few competitions.

Alongside this year's draw there will be the latest stories from the Championships over the weekend which includes profiles on all the English players taking part in the Nationals who are still in the running for Olympic selection.

Already there are the Q&A pieces from Paul Drinkhall, Liam Pitchford, Andrew Baggaley, Darius Knight, Daniel Reed, Joanna Parker and Kelly Sibley.

Don't forget to keep track of all the action over the weekend right here on the ETTA where we will provide up-to-date reports, tweets, statuses, photographs and videos about the Senior Nationals from Ponds Forge.

These can be found on the [Nationals Website](#), our [Twitter](#), [Facebook](#), [Flickr](#) and [Youtube](#).
