

Sussex Satellite Grand Prix: Closing Date Extended

Author: Paul Stimpson

Posted On: March 21, 2012

Crawley & Horsham Champs 2010 at K2

If you were thinking about entering this event, but had not got round to entering, don't worry, it's not too late, as the closing date has been extended to Monday 26th March. Players of all ages may enter. The venue will be K2 Leisure Centre, Crawley, which is a top class facility & the equipment is also top notch. All events will be running, but we could do with some more entries in all events, especially Men's Bands 1 & 2 & the Ladies Events. Also the Men's Singles is looking a bit weak, so if anyone out there fancies a chance of winning the top prize of £250 for the winner or £100 for the runner-up, don't delay, get entered!

On the Saturday we have the usual banded events where everyone can compete at/near to their own level. Men's bands 1-6 & Women's bands 1-3. Players may enter 2 bands subject to eligibility. On the Sunday there are the Men's & Ladies open events & in the afternoon there are age group events for U21, 21-40 (Restricted Singles) & Veterans (Over 40).

There is also another event at the same venue on the evening of Friday 13th April. This is the Crawley 2 Star & will be for U11s, U13s, U15s, U18s, Seniors & Veterans.
