

# YST Step Into Sport Camp 2012

**Author:** Paul Stimpson

**Posted On:** April 07, 2012

As part of an innovative Youth Sport Trust programme the ETTA delivered a taste of the Young Official Award course to 103 young people attending the annual [Step into Sport \(SIS\) camp](#) in Loughborough on 3<sup>rd</sup> April.

The course focused on developing the skills of young people enabling them to help organise and run Table Tennis competitions and utilise basic umpiring skills. The group which included 44 young people with a disability attending the camp also took leadership courses in Swimming, Football and Golf . All the young people were encouraged to support the delivery of Table Tennis events in their schools and communities, and to develop their skills further by attending ETTA coaching and leadership courses.

See our [Flickr website](#) for further photos from the camp.
