

Global Sports Jobs

Author: Paul Stimpson

Posted On: April 26, 2012

Our jobs board allows you to search for vacancies across the global sports industry. The latest vacancies are listed below and updated regularly; alternatively you can use the search option to browse jobs by specialist sector or location

Candidates can register for free, upload their CVs, set up email alerts, publish their profile so that recruiters can find them, and research active employers in the sports industry.

Recruiters may also post their own vacancies by simply clicking the 'Post a Job' icon and following the easy steps. Vacancies posted through our jobs board can be, if specified, accessible to an audience of over 500,000 potential candidates through the GlobalSportJobs international platform, ensuring maximum exposure around the world.

For help with posting a vacancy on the ETTA job board please contact one of our client services team on email: sa@globalsportsjobs.com or tel: 02076334511
