ENGLISH TABLE TENNIS ASSOCIATION Limited

Disciplinary Committee Hearing

At a meeting of the Disciplinary Committee held on 25th May 2012, the Central League was suspended from the privileges of membership to ETTA for breach of Rule 42.2. in that they have decided not to affiliate to Middlesex County TTA. This follows a formal allegation of breach of the Disciplinary Code by Middlesex County TTA.

This means that under Rule 45.3.1 they are not allowed to organise any Table Tennis activity and that any ETTA affiliated player who participates in any such activity, will themselves be in breach of the Disciplinary Code.
