Two events were run in Hitchin, Herts this month where volunteers from our League manned two mini tables and gave out leaflets with details of Free Come & Try Sessions at Hitchin Boys School Sports Centre (thanks to Sport N Herts for the financial support).

The Rotary Club of Hitchin Tilehouse organised this event with some 17 organisations represented in the 'village' and many others doing their activities around the town and villages, fortunately they provided 3 gazebos! And we still had 66 people having a go!
