Camping at the Games

Outdoor experts www.campingatthegames.com have teamed up with nine community sports clubs to provide quality camping pitches in and around London (including Staines and Weymouth), less than 30 minutes from the major Olympic Venues for as little as £10 per night.

Each of these sports clubs is easily accessible via public transport, offers spacious green space, friendly clubhouse, security, free hot showers and free parking.

Prices are from £10 per adult per night and there's an option for a pre-erected tent at £25 per night. The proceeds raised will be reinvested into the sports clubs, enabling them to develop their facilities to benefit grass roots talent! The audience is fairly varied, from Games Makers or staffing accommodation to ticket holders or families willing to enjoy the Summer.

Camping at the Games will also be recently announcing its association with Blacks Leisure Groups, where Camping at the Games customers get 10% off Blacks.

The participating venues include:

Blackheath Rugby (London) – Close to Excel for Table Tennis

Staines Hockey Club (Surrey)

Eton Manor RFC (Wanstead, London)

The Match Day Centres (Walthamstow, London)

Southgate Hockey Club (NE London)

Surbiton Hockey Club (SW London)

Wodson Park (Ware, Hertfordshire)

Weymouth College – Olympics

Redlands Community Sports Hub, Weymouth (Paralympics)
