BBC3's 'Free Speech' is back NEXT WEDNESDAY 18th JULY!

They are looking for young people (18-28) to take part in their live studio audience. They are making an Olympics Special and are looking for people who have used sport as a positive influence in their lives to turn their lives around so if you have used table tennis as a positive influence or know of someone who has then it could be a great opportunity for you to get involved.

They have a huge audience to fill and it's very much a case of the more, the merrier! They are particularly looking for hard to reach young people from the Olympic boroughs.

You can get free tickets for the show by emailing Charlotte at cmarsden@mentorn.tv or getting in touch on 020 7258 6762
