Maria Tsaptsinos: double band winner in Guildford

Don't forget to secure your place at the Tees Sport Newcastle Grand Prix on 13/14th October as the Grand Prix series heads back north after stops at Liverpool and Guildford so far this season.

The deadline for entry forms has been slightly extended but will close on **Tuesday 18th September** so get those entries in soon to play in the singles events, banded events, doubles, veteran's or under-21s competitions – of course, you do have to be the correct age first.

Could we see a third different final for both the Men's and Women's singles competition?

This season's open affair saw Champions Paul McCreery and Karina Le Fevre take on Chris Doran and Ashley Givan respectively at the Tees Sport City of Liverpool Grand Prix, while at the Bribar Guildford Grand Prix it was all change as the Champions Ryan Jenkins and Hannah Hicks faced Gavin Rungay and Maria Tsaptsinos in their respective finals.

In fact, Men's Band 2 double-Champion Danny Lawrence is the only player to have won at both venues this year with the competition proving incredibly open.
