Greenhouse Progress I and Sycamore III have continued their respective bustling starts to the season with only one and two game defeats out of their 64 matches so far in their latest British League campaigns.

Greenhouse, playing in Division One South, have lost just two fixtures on their way to an incredible record in their division – one that will surely end up in promotion to the Senior British League Premier Division at the end of this year.

Their team of Po Huang 'Barry' Chen, Jason Sugrue, Daniel Basterfield, Igor Morais and Ashley Willetts has so far stormed Division One South – taking their form into the New Year. Similarly, Sycamore III, in Division Three South & East, have dominated their league – losing just once out of 64, to march on towards a Division Two berth for 2013/14.

Their side of Jason Ramage, Danny Lowe, Mark Scutts and Michael George have taken no prisoners so far in this campaign.
