Balata Sports specialises in tailor-made small group sports breaks, combining different sports, such as golf and table tennis, and often involving some coaching.

Sometimes it's complicated getting a group of like-minded friends together. If your partner has different interests, the venues we use have excellent leisure facilities and we are planning opportunities for craft, painting, walking and other activities.

If you think you might be interested in joining us on a sports break, go to [www.balatasports.co.uk](http://www.balatasports.co.uk)
