The results from this session have been combined with the results from the session on Saturday 8th December to decide the final League positions.

KP1 Scorpions lift the Division 3 title winning all 24 of their matches.

Going into the final 2 matches in Division 4 all teams were still in contention for the title and a 4 way tie was also possible. Matty Sayles 11-9 5th end win over Archie Wills in the final match meant Harborough 4 took the title on more individual wins after they finished tied on points with South Wigston High School 2.

Hastings High School 1 took the Division 5 title winning 23 of their 24 individual matches. KP14 Zebras took 2nd place on head to head results after they finished level with Abbots Road on points, games won, and ends. Congratulations to the teams finishing top of their division and also to the players who topped the averages.
