PRIZE MONEY RISES AS ENTRIES FLOOD IN FOR 7th NATWEST JERSEY OPEN

The entries this year are the highest ever at this stage in the history of our Grand Prix tournament and I would highly recommend that if players are yet to send their form in to do so immediately to avoid disappointment as entries close in just less than three weeks on March 16th,' said JTTA President Chris Band.

The huge purse will definitely be even bigger than last year and with cash prizes for all the categories everyone is in with a chance of getting some significant cash!! Following the Open we will be hosting our ever popular Masterclasses which this year are being led by Damien Nicholls and once again early entry is recommended.
