The Junior Umpire Award is open to all young people. It is designed to improve knowledge and test practical skills in the umpiring of table tennis.

There is no minimum age restriction and playing experience is not required.

Umpiring can be a most rewarding and enjoyable experience and England has some of the most highly respected umpires in the world. Opportunities to use umpiring skills are available in clubs, leagues and in many competitions across England. The ambitious can umpire abroad at international matches, world championships and even at the Olympic Games.
