TTCampEger are now proud to offer Professional International Table Tennis Training Camps all throughout the year in Hungary, Eger.

Camps are held in the popular tourist town of Eger situated 120Km from the capital of Hungary, Budapest. Eger is well known for its wine production and wine cellars, along with its thermal baths. Eger has many beautiful sights as well as many restaurant, pubs and a busy night-life.

Training is held in Eger's professional table tennis club known as 'Egri Afesz Sport Club' with men and women's teams in the top Hungarian league. There are professional players practising at the club as well as some foreign players living on campus.

A training day consists of at least 5 hours training with professional coaches and sparring partners. Training will include 1v1 time with coaches, multi ball, exercise play, matches and fitness. In the evenings the hall will also be open for open practice for those who wish to play even more!

We are open all throughout the year so you can come practice and book your place when it suits you! Training is open to players of all standards with a dedicated coaching and sparring team to take your game to the next level!
