

Equipment donation success

Author: Paul Stimpson

Posted On: May 07, 2013

As you may have seen before, the English Table Tennis Association offered up many items of table tennis equipment, free of charge, during a [May Day Bank holiday bonanza](#).

We are glad to announce that over £1,400 worth of equipment from recent major events in England has successfully been donated to six table tennis clubs across the country.

In total there was interest from 20 different clubs so some unfortunately had to be turned away, however, keep your eyes peeled for another ad in the near future which will be displaying more cheap equipment on sale from recent major events hosted by the ETTA.

Thank you to all those clubs who applied previously, both successful and unsuccessful.
