Table Tennis Wales and the European Table Tennis Union are happy to welcome coaches to Cardiff this December for the ETTU Coaches Conference at the Sport Wales National Centre.

The course, which is officially recognised by the ETTU, will be based on team dynamics and getting the best out of your players and coaches within the programme. This will also be achieved by identifying the different characters within the team and how they impact.

There will also be sessions on Para TT and psychology.

Guest speakers include England Coach Alan Cooke, Psychologist Paul Hughes (who works with Portsmouth FC) and a Cardiff Metropolitan University lecturer.
