

Reynolds and Griffiths National Umpire success

Author: Paul Stimpson

Posted On: July 17, 2013

Congratulations to Joshua Reynolds and Lyndon Griffiths who were both successful in the National Umpire examination held in London on Saturday 6 July.

The National Umpire examination includes a written test of knowledge on the Rules and Regulations of table tennis followed by an interview during which questions are asked that help to establish that a candidate has an excellent understanding of various aspects of umpiring.

Joshua and Lyndon should feel justly proud of their achievement.
