Denis Neale cruised to victory at the latest World Championships of Ping Pong Qualification event at BATTs after a series of comprehensive performances in the hard bat event.

His confident 15-6, 15-12 victory over Filip Szymanski (POL) in the final was a reflection of his performances throughout the weekend where he dropped only one game during the entire proceedings. That came in his last 32 encounter with Tony West which ended in a tight 10-15, 15-13, 15-13 win.

Neale now moves to the top of the latest rankings (by average rating) alongside Ashley Stokes while Filip Szymanski, Chris Doran and Gergely Urban round off the top five. The full list of up-to-date rankings and ratings can be found at the links below.

You can also find the full results from the BATTs tournament (July 20th) and the entry form for the next event, which will be held at Draycott TTC on August 10th.
