Evangeline Collier at the Senior Premier County Championships held at Cippenham Table Tennis Club November 9-10th, 2013

You may recall that Evangeline (Evie) Collier was shortlisted for 'Essex Sports Personality of the Year' and with your help, along with the readers of the 'Essex Chronicle' and the 'Brentwood Gazette', she polled enough votes to be in the top five. Even better still, the judges have placed Evie in the top three in the category, meaning she will receive an award.

Evie will find out where she has been placed overall at a presentation evening held at the Essex Cricket Ground on Thursday January 23, 2014. We wish her the best of luck and thank you all for voting.
