Andrew Baggaley, England's leading Commonwealth Games table tennis medal winner, will be making a studio appearance on the popular children's sports show Game Changers on Sky Sports 1 and Sky 1 at 9am on Saturday February 15th 2014.

In 2013 Andrew did a pre-recorded feature with show presenters Di Dougherty and Darren Campbell at Bounce Nightclub in London. The 30-year-old gave a few key tips before Di and Darren took on the challenge of each other's games on the London 2012 Olympic table – find out who emerged the victor at the link below.

For those who can't watch the full Game Changers feature on Saturday morning you can catch up on Sunday (16th) and Monday (17th) as the feature is repeated Sunday at 7:30am on Sky Sports 1 and Monday at 4pm on Sky Sports 1.
